## Carpet Extraction Detergent

### DESCRIPTION

A color safe, non-clogging, thermally stable cleaner which quickly penetrates deep down and lifts dirt, soil and even grease and oil from the carpet fibers. EXTRACTO leaves no film on the carpet has stains and soils are easily lifted into the recovery tank. Foam controlled, defoamers are needed in the recovery tank only when carpets have residual shampoo left in them from previous treatment.

### DIRECTIONS

Check for color fastness in a small discrete area before proceeding. Vacuum thoroughly prior to shampoo treatment. Start with a dilution of 15 parts water to 1 part concentrate. Use defoamer in recovery tank if needed. While still damp, brush nap in one direction against grain. When dry, vacuum to remove loosened dirt and fluff the nap.
