

Crystalize

Premium Liquid Carpet Extraction Detergent

Professional Extration Detergent
For Heavy Duty Cleaning • Helps Resist Resoiling

DESCRIPTION

Crystalize is a concentrated, professional carpet extraction detergent. Crystalize can be used in steam cleaners and extraction machines for superior cleaning with technology that helps prevent re-soiling. When carpets are cleaned with this product, tiny crystals are formed which absorb the dirt and soils. The crystals can be easily vacuumed after drying of the carpet. Crystalize does not leave any sticky residue on the carpet fibers!

DIRECTIONS

Use at the rate of 1 to 2 ounces per gallon for most applications. For extraction machines, use 32 ounces for 5 gallons of water. Wear gloves and eye protection. Read material safety data sheet before using.

ADVANTAGES

- Helps resist carpet re-soiling
- Concentrated product may be reduced with water
- Ideal for heavy duty commercial cleaning
- Great for use on all types of carpet

TYPICAL PRODUCT SPECIFICATIONS

Appearance -----	Yellow liquid
Scent -----	Lemon
pH -----	9.0
Weight, per U.S. gallon -----	9.0 lbs.
Specific gravity -----	1.08
Viscosity -----	Thin
Foam -----	None
Flashpoint -----	None
Emulsification -----	Excellent
Rinsability -----	Excellent
Stability -----	Excellent
Solubility -----	Complete
DOT shipping -----	Non-hazardous
