Ready to Use Glass & Surface Cleaner

DESCRIPTION

Shimmer is an economical, ready to use glass and hard surface cleaner that has been specially formulated for a professional quality shine with maximum soil penetration. Shimmer easily penetrates and removes dirt, soils and other contaminants from all mirrors, windows, glass tables tops, plastic counters, chrome and any other hard surface. The product can simply be applied through spraying and wiping or by squeegee.

Shimmer does not streak or smear. It leaves glass 100% clear and sparkling. Shimmer penetrates and lifts off fingerprints, lipstick and atmospheric deposits fast and easy. Shimmer is gentle on the skin and is totally odorless. It contains no harsh chemicals to irritate. Also available as a 12:1 professional grade concentrate!

DIRECTIONS

Spray Shimmer directly on to surface to be cleaned. Wipe area immediately with a clean, soft, lint-free cloth, paper towel or squeegee.
