

Clean & Shine

Super Concentrated Vehicle Wash & Wax

PIF#515

DESCRIPTION

CLEAN & SHINE is a unique blend of powerfully concentrated yet gentle detergents which are effective against road film, dirt, soil and yet leaves a protective, restoring, shining polish for long lasting preservation of the finish. Protects against corrosion, acid rain while providing a lustrous finish. Safe to use on glass, plastics and chrome. Detergents are biodegradable.

DIRECTIONS

For car washing machines: Follow the dispensing directions recommended by the machine manufacturer.

For hand car washing: Remove loose dirt, dust and grime by pre-rinsing car. Use a solution of 1 ounce of the concentrate per gallon of water. Increase the concentration for heavier cleaning jobs. Best results are obtained by washing the car in the shade when the surface is cool.

APPLICATIONS

Automotive Dealerships
