

# Truck & Bus Cleaner

## Heavy Duty Cleaner Concentrate

PIF# 680

### DESCRIPTION

An excellent non-acid, concentrated wash and cleaner for use on trucks, pre-painted trailers, buses, and tractors. Truck & Bus Cleaner removes road film, dirt and greasy soil from all surfaces with easy. Strong surfactants and emulsifiers cut through soils and grease and restore shine and luster to the surface. Truck & Bus Cleaner is excellent in power wash applications, where no hard labor is required. Truck & Bus Cleaner is safe on all hard surfaces including aluminum and it contains a special blend of corrosion inhibitors to help protect surfaces for years to come.

### DIRECTIONS

This product is very concentrated and must be diluted before use. For most applications, dilute 1 part concentrate to 50 parts water. Soak entire surface before brushing and rinsing to avoid streaking. Dilution ratios may vary depending on the soil loads and water conditions.

### APPLICATIONS

Truck Dealerships	Truck Washes	Fleet Maintenance Facilities
Service Stations	Truck Rest Stops	Fire Stations & Police Stations
Truck Rental & Leasing	School Bus Yards	Commercial Bus Facilities

### ADVANTAGES

- Powerful Cleaning Action – Penetrates and lifts dirt away without harming the surface
- Free Rinsing – Easily rinses away without leaving streaks or residues
- Metal & Paint Safe – Used as directed formula is safe on all metals and vehicle paints
- Contains Corrosion Inhibitors – Helps protect vehicles surfaces from rust and corrosion
- Phosphate Free – Nontoxic formula is safe and earth friendly

### TYPICAL PRODUCT SPECIFICATIONS
